BRIDE

To Be

Congratulations on your engagement!

Thank you so much for reaching out to enquire for Bridal Make Up Services for your Wedding! Below is some further information about my Make Up Services & Packages with The Bridal Beauty Cove.

A little about me

I have over 8 years of experience in Beauty Therapy & Wedding Make Up, both brides, and bridesmaids/mother of the bride. I am qualified in Beauty Therapy, Facials & Bridal Make Up and Fully Insured for peace of mind. My aim is to make you feel so special on your Wedding Day and in the lead up to it aswell.. having being a bride myself last year I know how important this step is! My make up style is natural, beautiful glowing make up which enhances your gorgeous face whilst remaining looking like you, just the Bridal version of you!

Part of my role is also to remember the little things you may not which helps your final look.... your perfume, your necklace, earrings etc. that you set aside for your big day and of course I won't leave until you are fully ready and no longer need touch ups (plus it's my favourite part, that bit at the very end where I see you in your dress and I can get a few lovely snaps for you which sometimes the photographers don't catch as they are in the ceremony room!)

BRIDAL

Beauty Cove Journey

I recommend you have a trial prior to your wedding day to ensure you know exactly what to expect, I like to call this your Bridal Preview! We can talk through what style of make up you would like and of course check you are happy and feel beautiful. This takes time, I always set aside a good 2 hours because I want to make sure we get it just right by testing different colours/shades/finishes and we will end up having a good old wedding natter! Your trial and Wedding day Make Up comes with optional individual lashes to enhance your eyes.

What's more is this isn't just Bridal Make Up, I will ensure we have your Bridal Prep timeline in place if you choose a Beauty Package, meaning you won't need to worry about the finer Beauty plans which often get forgotten about and end in last minute booking panic! I will also send you a Skincare Guide to help you prep your skin prior to your wedding to ensure your Skin is in its best place possible ready for your big day, afterall great skin installs great confidence!

You can add on your Bridal Party too! I have a team of ladies that can help if you have a large party. Bridesmaids, Flower girls, Mother of the Bride/Groom The Bridal Beauty Cove experience can be for your whole party!

If you are looking for a Bridal Hair Stylist please let me know as I work closely with a few local stylists and I can put together a package quote.

YOUR *Bridal Preview*

YOUR TRIAL/BRIDAL PREVIEW

Didcot, Oxfordshire

I invite you to my comfortable and private Trial room at my home, bring your slippers, any inspo pics, i'll supply the tea and biccies and lets have a natter!

This is our opportunity to get together to try out some Bridal styles you have liked the look of and so we can get to know each other and I can get to know more about your Wedding plans! I allocate around 2 hours for your trial, there is no rush! I recommend these around 2-3 months prior to your Wedding as your ideas/trends and style may change! Please note my trial location I have a dog, so any allergies we can go to my Reading Location if needed, but she will be out of sight. If Reading works better we can do this but Didcot is more a Bridal Experience!

Your Trial price is £70 and this is highly recommended.

FAQs *& T & C*

Travel Costs

I do not charge for the first 30 miles of journeys (each way) from OX11. Thereafter, a charge of 50p per mile is added. Your Travel is included.

Securing Your Date

I require a £50 deposit to secure your date, your date is not secure until this is received. I hold your date for 3 days from this email, then it is released. This fee is to hold your Wedding date and will come off your final balance at your last invoice. Please note your deposit is non-refundable.

What if I choose a package with Beauty Treatments?

If you choose a package which includes my Beauty Services - Gold & Platinum, You would still be required to pay the £50 deposit but your package wouldn't start until you are satisfied with your Bridal Trial, after this point I would require a 50% payment of the remainder of your package balance 7 days after trial & the remaining balance 2 weeks before your big day! Packages can be added on later.

Cancellations

Your Trial cost is non-refundable. Your Deposit is also non-refundable. Should your Wedding date change, if I am available we can move your date, if I am unavailable I will try to help source a new MUA but again your costs already spent will be non-refundable. If you decide after your trial not to continue your journey, your trial is non-refundable but you are not held to paying the remainder.

Additional MUA

Should your Bridal party be large or you have restrictions to getting ready timings I will suggest a second MUA to assist me. This comes at an admin fee of £50 to cover costings. Please note I need 45 mins pp makeup.

MUA Illness

Should in any rare circumstance I be unable to attend your Wedding Morning due to an emergency, I will try to source another MUA, if I cannot, full Make Up costs will be refunded (trial cost non-refundable) Please note this is an extreme circumstance and panic not, I work closely with many MUAs as Back-ups and this has never been an issue.

Your Bridal Preview

Trials are approx 2 hours, but I always block out 3 incase you want to try a few looks.

Your Bridal Preview is payable on the day (i have a card machine) and is £70. I recommend you come alone for your trial, however if you would like to bring a friend/family member just let me know.

Next steps

Once you are happy to continue, I will send you deposit details and your contract.
